THE FRESH MARKET'S PRE-PREPARED HOLIDAY MEALS

The Fresh Market's prepared holiday meals create a food experience to help families impress their guests. This year, entrée options include Petite Spiral Ham, which is honey-cured, hardwood-smoked and topped with a honey maple glaze for a sweet finish and Bell & Evans Turkey, which is never frozen to maintain superior juicy texture and has been served at the White House for over three decades. Sides include Citrus Glazed Baby Carrots, Traditional Herb Stuffing that pairs well with the rich Home-Style Turkey Gravy and Yukon Gold Whipped Potatoes made with real cream and butter to give it a creamy homemade taste. Another classic holiday side, the Green Bean Amandine is fresh green beans and sliced almonds tossed in a delicate cream sauce. Store employees will be available to educate customers about the menu items, ordering instructions and meal preparation.
